

VOLUNTEER TO Make a Difference

Do you like people and learning something new?

Join us as we help families, seniors and first-time filers complete their income tax returns. Why? Because saving the cost of tax preparation or getting a higher refund makes a difference for our community's most vulnerable residents.

Preparing taxes not for you?

There are lots of other ways to get involved.

Email taxprep@ak.org for information about being a tax coach, a savings ambassador or an event helper!

- No prior tax preparation experience is necessary
- All training materials are provided
- Training starts in December

Visit www.FreeTaxPrepAnc.com/volunteer
